1/1

Technical drawing of a two-part metal bracket. The drawing shows two views: a front view on the left and a side view on the right. The front view shows a rectangular bracket with a width of 34 and a height of 64. It has two mounting holes, each with a diameter of 15. The side view shows the bracket's profile, with a total height of 32,3. The bracket is shown in two parts, with a dashed line indicating the assembly point. The drawing includes dimensions for the mounting holes (15), the overall width (34), the overall height (64), and the side view height (32,3). A dimension of 16 is also shown for the side view. The drawing is labeled with 'L' for length and 'h 35' for height.
